Please find below and/or attached an Office communication concerning this application or proceeding.

The reply filed on 4/2/2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): See below. See 37 CFR 1.111. Since the
5 above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

10 On 3/26/2002 a restriction was made. On 1/8/2003 an election of species was made. This election was discussed on 3/28/2003. On 4/2/2003 a response was received directed to a table and claim 4 indirectly to compounds with 13 variables and many of those, including all the R groups, undefined. Applicants
15 are required to elect a single disclosed species within Group I and it is suggested to point out a single independent claim directed to that species. Should applicants fail to comply fully again, it will be considered an intentional non-responsive amendment and this application will be abandoned because this is
20 the third directive regarding this matter.
